Cibolo Creek Watershed:
Education and Outreach Needs

Clare Entwistle
Texas Water Resources Institute
October 12, 2017

Education and Outreach

- Maintain public involvement in the plan

- Increase awareness of the WPP and it's goals

- Connect citizens to resources to help them improve specific practices that can effect water quality

- Includes workshops, newsletters, press releases, handouts, etc.

Current Programs Going On?

- SARA
- GBRA
- AgriLife Extension
- Others?

- Where are the programs held?
- Topics?
- What are the additional needs for the watershed?
